Reviews in Brief: 8 New York Gallery Shows to See This Month

BY ORIT GAT, MODERN PAINTERS | OCTOBER 11, 2014

Frank Heath

Simone Subal Gallery

131 Bowery

Through October 26

It may seem frivolous (a laser-cut plaque includes a note from its maker: “Please include Twinkies [I will pay extra]”) but Heath’s casual style allows him to make a statement about systems of production. The six plaques exhibited record conversations about their own making. A two-channel video intersperses interviews with scientists at the CERN collider about the origins of matter with unsuspecting shoppers at Kmart encouraged to discuss the same subject.
